It is possible that taxes and costs may exist that are not paid via or by us.

All savers should declare interest earned when making a tax return. It is your responsibility not ours, to make this declaration.

### Your right to cancel

You have the right to change your mind within 14 days of opening an account. If you do we will help you switch to another account or return your money. We will not apply any notice period or charge.

Should you wish to cancel the account within this period, please write to the branch or agency where you opened your account or call 0345 1200 300.

### Protecting your interests

To help protect the Society's mutual status, all new customers, for the first 5 years of membership, have to assign any windfall conversion benefits which might be paid to the Yorkshire Building Society Charitable Foundation. What this means is that should any event take place which results in conversion benefits being paid, anyone who has been a member for less than 5 years would not receive the benefit. By opening this account you are agreeing to be bound by the terms of this.

### Yorkshire Building Society Charitable Foundation and Small Change Big Difference® scheme

The Charitable Foundation is independent of the Yorkshire Building Society and supports registered charities that our members and colleagues care about. The Charitable Foundation can only continue to do this with the help of the Society's customers who take part in the Small Change Big Difference® scheme. You can assist with that vital work by agreeing to join the scheme, which means that you donate the pence amount of your annual interest (i.e. up to a maximum 99p) to the Charitable Foundation once a year on the same date as interest is normally credited (for monthly interest accounts the donation is made in June). You can find out further information and details of charities that have been supported in your area online at [ybs.co.uk/charitablefoundation](http://ybs.co.uk/charitablefoundation)
