5 How you may use the App, including how many devices you may use it on

We are solely responsible for the App. However you agree that the use of the App is at your risk.

You may download or stream the App onto any Android device which you own or control and view, use and display the App on the device for your personal use if:

- you are an existing YBS savings customer;
- you are registered for YBS online banking; and
- you are over the age of 16 (sixteen) to accept these terms and download the App.

You will only be granted access to the App if we can confirm that you are a YBS savings account holder.

When you first log into the App, you will need to enter your existing online banking credentials which consists of your username/customer number and password. You may then also have an option to set up biometrics or a passcode that you will use to login to the app. Biometrics means the device recognises you, for example by your fingerprint or by facial recognition. It is **very important** to be aware of the risks that if anyone other than you has their biometric data registered to your device (for example if their fingerprint is saved to your device too) they will be able to access the App and your savings account(s). Do you want them to access the App and your savings account on your device? If not, do not set up biometric login on this App.

You are only permitted to register the App to one (1) device at any time so if you choose to have the App on another device you will have to repeat the process of registering the App on the new device. You should delete the App from the first device before downloading and registering the App on the new device.

At all times you are responsible for access to the App on your device, or on a device owned by another person provided that you have permission to use that device (see paragraph If someone else owns the device you are using below), so if another person accesses your account because, for example, you did not log out of the App or they have their biometric data registered to the same device, we will not be responsible for any issues that arise from them accessing your account (see also paragraphs If someone else owns the device you are using and Our responsibility for loss or damage suffered by you below).

The App is normally available to access 24 hours a day seven (7) days a week, but it may be unavailable when we need to change, fix or improve the App. We will try to provide you with prior warning of planned unavailability but there will be occasions when you will only be notified when you try to login to the App. You must comply with the Licence Restrictions and Acceptable Use Restrictions set out below (see paragraphs 13 and 14 below). In the event you fail to comply with these restrictions, we can stop you using the App. If the App is unavailable you will usually still be able to access your account on our website in the normal way.

6 If someone else owns the device you are using

The owner of the device which you want to download the App onto **must** have given you permission to do so. It is your responsibility to comply with these terms, whether or not you own the device. As mentioned above, if the owner of the device accesses the App because you downloaded it onto their device you are responsible for their actions or omissions if they use the App, including any claims or costs which may arise, for example in breach of data protection requirements or our intellectual property rights.

We ask that you do not let other people access your Savings Account(s) so if changes are made to your information or account(s) through the App we will reasonably work on the basis that you made that change. Therefore, please be aware that if we suffer losses as a result of changes to the information provided, you may be liable to us for those costs.

7 You must not transfer the App to someone else

You must not transfer the App to someone else, whether for money, for anything else, or for free. Your right to use the App is non-transferable and is permitted only in accordance with Google Play's Usage Rules. If you sell any device on which the App is installed, you must remove the App from it.

8 Warranties

We warrant that the App:

- is fit for the purpose and is as described in Google Play Store;
- is free from material defects in its design; and
- is of satisfactory quality (within the meaning of the Sale of Goods Act 1979).

You represent and warrant that:

- you are not located in a country that is subject to a U.S. Government embargo; or
- you have not been designated by the U.S. Government as a "terrorist supporting" country; and
- you are not listed on any U.S. Government list of prohibited or restricted parties.

In the event of any failure of the App to conform to any applicable warranty, you may notify Google Play, and Google Play will refund the purchase price for the App to you. To the maximum extent permitted by any applicable law. Google Play will have no other warranty obligation whatsoever with respect to the App, and any other claims, losses, liabilities, damages, costs or expenses attributable to any failure to conform to any warranty will be our sole responsibility.

9 Changes to these terms

We may need to change these terms to reflect:

- changes or anticipated changes in law, regulations or codes of practice, or to respond to a decision by a court, ombudsman or regulator;
- changes in our costs, including administrative costs, involved in providing the App;
- changes in technology;
- any additional features which we introduce or changes in the functionality of the App, including the removal of any out of date parts of the App;

- to fix any mistake in the drafting of this EULA or to make it fairer or clear (this will never be to your detriment; or
- changes to the way we want to provide services to our members or to reflect the changes in the method that the banking industry deliver services;
- changes in our ownership or a re-organisation due to us merging with or acquiring another business;
- we may also need to make changes for other reasonable reasons that affect the way we run our business and your account. In the event we do, we will describe the reason when we notify you about the change.

You will receive a notification of any change to the terms when you next start the App. Please always ensure you read and accept the updated terms to use the App. If you are not happy with any change that we make you can immediately delete the App.

If you do not accept the notified changes you will not be permitted to continue to use the App and you must delete it from your device.

So that we are able to provide sufficient notification to you of changes of terms and conditions within the EULA, we recommend that you periodically log on to the App and at least every 14 calendar days.

10 Updates to the App

From time to time we may automatically update the App through the Google Play Store and change the service to improve its performance and your experience, or to reflect changes to the operating system or to address security issues.

Depending what the update is, if you decide not to install the updates or if you opt out of automatic updates you may not be able to continue using the App until you have installed the latest version and accepted the new terms (if applicable). You will receive a notification of any requisite App updates when you next start the App.

It is not Google Play's responsibility to provide App updates to you.

11 We may collect technical data about your device

By using the App, you agree to us collecting and using technical details about the device you are using the App on and related software and hardware so we may improve our products and services for you.

We will not collect personal technical details about your device but we will share public keys and private keys with the App to validate your biometric data, if you choose to use biometric data to access the App.

12 We are not responsible for other websites you link to

The App may contain links to other independent websites which are not provided by us. Any independent sites are not under our control, and we are not responsible for them and have not checked and approved their content or their privacy policies (if any).

You need to make your own independent judgement about whether to use any such sites, including whether to buy any products or services offered by them and we do not endorse any such products or services. If you leave our App you are no longer covered by our Privacy Policy or Security Policy.

- not rent, lease, sub-license, loan, provide, or otherwise make available, the App in any form, in whole or in part to any person without prior written consent from us;
- not copy the App, except as part of the normal use of the App or where it is necessary for the purpose of back-up or operational security;

- not disassemble, de-compile, reverse engineer or create derivative works based on the whole or any part of the App nor attempt to do any such things, except to the extent that (by virtue of sections 50B and 296A of the Copyright, Designs and Patents Act 1988) such actions cannot be prohibited because they are necessary to decompile the App to obtain the information necessary to create an independent program that can be operated with the App or with another program (**Permitted Objective**), and provided that the information obtained by you during such activities:
 - is not disclosed or communicated without YBS' prior written consent to any third party to whom it is not necessary to disclose or communicate it in order to achieve the Permitted Objective; and
 - is not used to create any software that is substantially similar in its expression to the App;
 - is kept secure; and
 - is used only for the Permitted Objective;
- comply with all applicable technology control or export laws (including restrictions on exporting and re-exporting) and regulations that apply to the technology used or supported by the App;

14 Acceptable use restrictions

You must:

- not register the App on more than one (1) device;

We are responsible to you for foreseeable loss and damage caused by us. If we fail to comply with these terms, we are responsible for loss or damage you suffer that is a foreseeable result of our breaking these terms or our failing to use reasonable care and skill, but we are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time you accepted these terms, both we and you knew it might happen. We do not accept any liability for any losses that do not arise directly from a breach of this EULA. Similarly, you will not be liable to use for any losses that do not arise directly from your breach of this EULA.

We will do all that we reasonably can to ensure that the App is free from viruses, bugs or other software or programs that may damage your device. However, we cannot guarantee this, nor do we make any representations or warranties to that effect, and we do not accept liability if this happens. If you decide to use your stored biometric data or other confidential information on your device to access the App, you do so at your sole risk.

Limitations to the App. The App is provided for general information relating to your savings accounts with us only. It does not offer any advice on which you should rely. You must obtain professional or specialist advice before taking, or refraining from, any action on the basis of information obtained from the App. Although we make reasonable efforts to update the information provided by the App, we make no representations, warranties or guarantees, whether express or implied, that such information is accurate, complete or up to date or, save as provided at paragraph 8 that the App will function sufficiently.

Nothing in this EULA affects your legal rights.

17 Termination and Suspension

We may end your rights to use the App at any time by contacting you if you have broken these terms in a serious way. If what you have done can be put right we will give you reasonable opportunity to do so.

In addition, we may, acting reasonably, end your rights to use the App at any time by contacting you if:

- you no longer have a YBS savings account;
- you are using the App for an improper purpose, including (but not limited to) if we suspect you are involved in fraudulent, abusive or illegal activity or if we suspect you present a security threat;
- there is an ongoing dispute between us and you; or

We also reserve the right to stop making the App available at any time on a particular device or operating system, though we will always try to give you reasonable warning.

You may terminate your use of the App at any time by deleting or removing the App from your device. Please be aware that if you stop using the App and/or if you delete the App that does not mean that any of your savings accounts will close. Please contact us directly (see paragraph 4 above) if you would like to discuss changing your savings account(s) in any way, including if you wish to close any of your accounts with us.

If your right to use the App is terminated by you or us:

- you must stop all activities authorised by these terms, including your use of the App;
- you must delete or remove the App from all devices in your possession and immediately destroy all copies of the App which you have; and
- you agree to reimburse us if we suffer any loss or damage or incur any costs because you are using the App for an improper, fraudulent, abusive or illegal purpose.

Instead of terminating your right to use the App we may suspend your access to the App at any time without notice for any reason, including if we need to update the information on or functionality of the App or for maintenance purposes. Our right to suspend your access to the App does not prevent us from terminating your access to the App.

18 We may transfer this EULA to someone else

We may transfer our rights and obligations under these terms to another organisation. We will always tell you in writing if this happens and we will ensure that the transfer will not affect your rights under this EULA.

19 You need our consent to transfer your rights to someone else

You may only transfer your rights or your obligations under these terms to another person if we agree in writing.

20 If a court finds part of this EULA illegal, the rest will continue in force

Each of the paragraphs of these terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

21 Even if we delay in enforcing the terms of this EULA, we can still enforce it later

Even if we delay in enforcing the terms of this EULA, we can still enforce it later. If we do not insist immediately that you do anything you are required to do under these terms, or if we delay in taking steps against you in respect of your breaking this EULA, that will not mean that you do not have to do those things and it will not prevent us taking steps against you at a later date.

22 Which laws apply to this contract and where you may bring legal proceedings

The terms and conditions of this EULA are governed by English law and you can bring legal proceedings in respect of the App and the EULA in the English courts. If you live in Scotland you can bring legal proceedings in either the Scottish or the English courts. If you live in Northern Ireland you can bring legal proceedings in either the Northern Irish or the English courts.
